### DRINK CUPS

Translucent Drink Cups

## Feature Benefit

Extraordinary Value	Cups have the strength and durability you demand at a price you desire.
Efficient Design	Precision rolled rims offer smooth drinking and a leak resistant seal for the lid.
Easy to Hold	Raised sidewalls offer a "no-slip" grip.

These guidelines are supplied to assist you in determining the proper use of Pactiv products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
